**Narrative update:**

- Busy month of working on student solutions. Continuing to work on enhancing student experience at Rozelle. Travelled to Hobart for TUSA Retreat where goals for your State Council were set.

Please, accept my parting regards, dear fellow. Though our virtual encounter ends here, I hold hope that future days may find us in more propitious circumstances. May the stars align where our paths intersect once more, under skies less tempestuous and with hearts more inclined to harmony. Until that auspicious moment arrives, let my sincerest wishes accompany you on your journey. Farewell. -Matthew
