Narrative update:

- Attended a Library Management System Replacement Project Steering Committee meeting via Microsoft Teams and engaged as a member of the library 'Discovery user group' which collects feedback on Primo configuration and 'Circulation user group' to provide insights from a student's perspective, also collect feedback from students to improve the functionality and accessibility.
- Joined a University Learning and Teaching Committee to look into future improvement including student-centred assessment reform, generative AI, and student learning action plan. On the other hand, a huge concern on improving the satisfaction of the teaching scale based on the data from 2023 graduate outcomes survey.
- Joined Annual Women's EXPO 2024 at Moonah Art Centre and got in touch with a couple of stalls and looked into any chance of collaboration to provide networking events with local business or supporting service for students.
- Attended postgraduate online orientation, CAM in-person presentation and accommodation induction to deliver TUSA services, promote upcoming events and answered students' questions.
- Arranged a meeting with A Kiely and PG TEL via Zoom and negotiated a total of seven collaborative language workshops for HDR students in September and October.
- Attended HDR networking event and raised interest on campus tours and language workshops for HDR cohort; received the suggestion regarding running potential evening or weekend events for some students who could only be available after working hours.
- Kept a once-a-week, Tuesday TUSA Shut Up and Write sessions for postgraduate students.
