#### Narrative update:

This month has been a great opportunity to meet the TUSA team and slowly get the hang of my new role. Big thank you to the team for their hard work during this tricky transition period, really appreciating extra clarity and patience as we learn the ropes.

Here is a list of some of the key events and meetings I attended this month:

- Met with Jack for a handover chat and Southern Campuses Tour 23/10
- Attended the "Eat it All" food hub event 23/10
- Attended the Student Experience Committee Meeting 5/11
- Attended the Forestry Tour with N Farrelly and P Fay
- Attended the TUSA C&S Bonus Grants Round Meeting 13/11
- Attended the TUSA Operational Team Meeting 13/11
- Met with JOP and N Farrelly 14/11 and 4/11

I have unfortunately been unable to attend TUSA's weekly kick-off meetings.

As of this Monday, I am starting a two-week intensive unit which finishes on the 29<sup>th</sup> of November, after which I will be working remotely all of December.

I'm aiming to keep working to follow in Jack's footsteps to chat to lots of people on campus and hear about their concerns, but haven't had a chance to do this very much yet! Please reach out to me in person or via email ([southern.president@tusa.utas.edu.au](mailto:southern.president@tusa.utas.edu.au)) at any time with any questions, comments, stories, or concerns.

Cheers,

Ruby
