NARRATIVE UPDATE

TUSA Equity President Report – January 2025

The Christmas and New Year period has been relatively quiet, providing a much-needed opportunity to rest and recharge in preparation for a busy and productive 2025. While there were no major equity-related events or developments over the break, this downtime allowed for reflection on the successes of the past year and planning for the year ahead.

Looking forward, 2025 is shaping up to be an exciting year as we focus on advancing key projects, fostering student engagement, and advocating for equitable outcomes across all cohorts.

Wishing everyone a great start to the new year!
