### Narrative update:

February has been a massive month as we kicked off the semester. Orientation, Clubs & Societies Day in Launnie, and meeting students were the main focus, making sure students knew who we are and how we can support them. I presented at a bunch of orientation sessions, ran stalls at O-Days and Clubs and Societies expo with the lovely TUSA SC and staff members, and it's been great to see so much student engagement and to start forming good working relationships with TUSA and UTAS staff, members of different clubs and societies, other student leaders and uni organisations.

On the student support side, I followed up on security concerns at Newnham accommodation, ensuring things are being handled properly. I also worked on getting more students involved with the Food Hub, spreading the word about this essential service.

If you have ideas or feedback, I'd love to hear from you! See you around campus.
