**Narrative update:**

Howdy guys, gals, and non-binary pals!

This has been one of the shortest times between meetings I can remember! Despite that, there have been a number of internal-facing meetings I've had within TUSA before the surge of freneticism as O-Week approaches. As a State Council, we've been beginning to put our learnings from our Onboarding in January into practice together as a team, and how we can work with the National Union of Students and Unions Tasmania this coming year. One of the key topics I've been spending my time on this month has been on SSAF funding, and the way in which we work with the Uni towards a minimum of 40% SSAF to TUSA model from 2026 and beyond.

## State Council Representative Report

This coming month will hold a number of more external-facing meetings, events (see our TUSA 'What's On' page for the biggest few weeks of the year from a TUSA Events perspective!) and writings. As we get settled into Semester, it'll be fantastic to see more students around.

Happy to share any more details etc, or to chat anytime, please feel free to reach out!

Yours as ever,

JOP
