Community Engagement	Participation	N/A	0

Narrative update:

May has been a slower but still productive month on the Cradle Coast. This month increased security measures have been implemented on campus and has been well received. This month has been approached with an eye for events planning and management. Run club was offered every Monday and numbers have started to increase again. Food Hub, a TUSA food security initiative was opened in the community lounge, running from 12-3pm on Tuesdays.
