Narrative update:

It's been a full and productive couple of months. From O-Week sessions to advocacy, June and July have been about connection and action. We've made progress raising key student issues including transport and campus parking and I also helped share a support message for students impacted by the Iran-Israel war, which is now live on campus and TUSA socials.

As always, if you see me around campus and want to chat or raise a concern, just say hi!
