**Narrative update:**

Hey party people! A big sorry from me for being quite so unexpectedly disconnected throughout July. The team has had my back and I just want to say a huge thank you to them for dealing with my featherbrained-ness and need for a life pause.

I'm so excited to get back to Tassie on Monday to absolutely throw myself back into Semester 2, with more Vent Tents, the launch of our GBV campaign, across the state but especially in the South (thanks team!), and of course to ease the load post-O-week for the crazily busy TUSA staff.

I'm very excited to hear about the successes, failures and laughs that made up O-week semester 2. To all of our new students, I extend a very warm welcome.

As we step into Semester 2 there are just a few things that I want to note! Firstly, every day takes us closer to the opening of the (still named, though not for long) Forestry building in the city... closer to a model for southern UTAS students primarily studying in the city. Please let me know how we can support you through this time, and any questions you might have.

I'm super stoked to be stepping onto the TUSA Board of Management this Semester, to better bring the issues of the South to the forefront in the action and advocacy of TUSA (as well as all students of course – I got your backs)

Finally, I am proud to announce that we now have FREE METRO USAGE FOR ALL STUDENTS BETWEEN SANDY BAY AND THE CITY !!!!!!!!! HUUUUGE NEWS, off the back of our advocacy this year, the ongoing work of dedicated UTAS staff, and of course, reps from years past who have fought for this again and again.

I'm keeping it short from me this month, looking forward to the Semester ahead! Good luck soldiers with all things Sem-2 (/end of Tri 2/start of Tri 3 etc...). Sending strength and well wishes to all.

Lots of love,

Ruby
