1.0 Position Summary

The Tasmanian University Student Association (TUSA), founded in 1899, is one of the oldest Student Unions in Australia, and is recognised as the peak student body representing all students attending the University of Tasmania.

The central aim of the TUSA is to mobilise and enable UTAS students to have their voices heard, and to nurture a sense of community for students. The TUSA aspires to facilitate this through student representation, the support of TUSA clubs and societies, and independent services that meet specific student needs, including the Student Advocacy Team, Student Legal Service, and TUSA Food Security Program. The TUSA Education President – Undergraduate is primarily responsible for the academic representation of all undergraduate students at the University of Tasmania. The incumbent is a member of the TUSA State Council, the University's Academic Senate, and any other committees to which they are nominated by the President, both within the TUSA and the University.

Given that the incumbent's core responsibility is academic representation, it will be necessary for the position holder to have a high degree of connectivity with various academic societies across all UTAS campuses.
