- I Have been nominated for and accepted as a voting member on the TUSA company board.
- I Reached out to Amanda Castray regarding a potential accommodation supports for Rozelle students I found online – that is Wesley Mission’s western Sydney crisis accommodation, and Rent choice youth – a government initiative. The information was forward to Dan Elvin who manages university accommodation. He believed both were good options, particularly rent choice youth, whom would also provide education and occupation support. He asked for TUSA to establish a relationship with these providers, and to advertise them on the TUSA website.
