Narrative update:

It's been a busy, but exciting, month filled with various orientation events and meeting new students and other staff members! It has been wonderful to see the amazing work of both TUSA and UTAS staff to bring together a welcoming and supportive Orientation Week for Semester 1, 2026.

I have attended various orientation events, both at the Cradle Coast Campus, and online. During these, I introduced students to TUSA and the services and work we do to connect and support students. I hope that students continue to feel the warmth of the UTAS community, especially at the Cradle Coast and online. It has been a priority during this time of year to increase visibility and engagement to set students up for the rest of the year.

Moving further into the year, I'm excited to continue to work with others to see how we can improve connection with students, visibility, and the student experience. I'm looking forward to working with and seeing the rest of the TUSA team again at the Hobart, Launceston, and Burnie Clubs and Societies days – should be lots of fun! Wishing all the best to everyone as we start Semester 1, 2026.
