UTAS Events/Orientation Any UTAS-run or Orientation events you attended.	Participation	N/A	
Community Events/Rallies Any community events or rallies you attended in your capacity as a TUSA student representative.	Participation	N/A	

Narrative update:

I'm excited to be back on the North West and reconnecting with students and staff on campus! We're looking forward to creating more events and initiatives on the Cradle Coast Campus, and finding ways that we can better support our students.

During April, I attended a number of committee meetings discussing topics such as graduate outcome frameworks, SSAF, and grants. I have also worked alongside Kashif and Molly to assist in the recruitment of two roles on the Equity Committee for 2026.

Moving through the year, I would like to better communicate with students on the Cradle Coast to share the events and initiatives on-campus and across the state. I have been in discussion on how we can better communicate with these students (as well as other campus Presidents with their respective cohorts). We are looking for a more direct point of contact, and have considered challenges surrounding the ongoing need for moderation should a social media platform be used.

Please let me know if you would like to share any concerns or suggestions, either in passing on campus, or through cradlecoast.president@tusa.utas.edu.au
