Narrative update:

Hey all! I'll share the fun stuff I've been up to for the month 😊

Lots of orientation events this month! Start of the semester started off with O Week, I had the pleasure of doing a few 'what is TUSA' presentations to incoming students at the Inveresk and AMC campuses. O Week also included our mini C&S day and it was great to see club engagement and so many students getting involved with the registered groups. We also hosted a mini market day and gave out a ton of free goodies to those you came through.

I guided a walking tour through Launceston to give new students (who have just re-located to Tassie) some local insights into the city. Shoutout to Hello Georgie who kindly and unexpectedly offered free lunch to us (legitimately the best burgers out there fr), it is also worth noting they have a \$15 student combo deal when a valid student ID is shown. Bonus!

I was lucky enough to attend a UTE trip to Hollybank to do the high ropes course! A great bunch of students joined (most definitely braver and more coordinated than me).

We held a SHAG Week event at AMC, Balls n Buns – meatball subs and Adult Shop vouchers offered to the cohort. Sarah, our Senior Solicitor through the Student Legal Service, joined us for this event. It was fantastic to have her up North for a few days and to bring more awareness to the advocacy parameters we have available.

Aaaaand have been working with our new FoodHub administrator, Evie, to help more students access fresh produce and cheaper groceries. There has been a high demand in this and we are hoping to secure more funding going forward.

I'll also note that the Semester 1 edition of *Togatus* has been a **great** read. Well done and thank you to all who contributed.

As always, reach out if you need or stop in for a chat. We are here for you.

Best,

Liv
