Narrative update:

Hello all, been a busier month as semester starts to ramp up, here are just a couple things I have done this semester!

- Attended EdCon representing TUSA and giving a talk on vent tents!
- Continuing work on the Climate Transition leadership Team working on a theory of change
- Started work on linen packs for international students when they arrive at student accommodation
- Reviewed and critiqued the new UTAS minimum teaching standards
- Ran vent tents in Sandy Bay (most successful this year) as well as sandy bay accommodation
- Regular meeting with Nicholas Farrelly about prayer spaces and other social aspects of our southern campus
- Prize announcer at SHAG week's sex toy bingo
- Ran the consent stall at SHAG market day
- Studied 😬

Weve got loads of vent tents coming up so keep an eye out on our socials, and as always feel free to reach me at southern.president@tusa.utas.edu.au
